

2017 Breeding Contract for Gotta Lotta Bud

This contract contains a "Live Foal Guarantee." A Live Foal is described as a newborn foal which stands and nurses without assistance.

If a foal is born dead, or the mare absorbs/aborts a predetermined pregnancy there are return privileges, only if the Stallion Manager is notified with thirty (30) days and receives a statement confirming this.

A "Live Foal Guarantee" will apply only to those mares that are certified in foal by a licensed, attending veterinarian. Confirmation of such pregnancy in the form of documented ultrasound picture or letter from attending veterinarian must be received by Oct. 1 of the breeding year or the mare will not be included in the Stallion Breeding Report.

If the mare absorbs or aborts a pregnancy after having been checked in-foal, or if the mare fails to conceive during the normal breeding season, the Stallion Manager agrees to breed the same mare again during the following year's breeding season. There is a charge of \$200.00 for rebreed service, shipping expenses will be additional. A substitute mare, accepted by the Stallion Manager, may be used ONLY if the original mare is deceased or deemed unfit for breeding by an accredited veterinarian. The Stallion Manager reserves the right to ask for any or all rebreeds to be bred as an onsite breeding at anytime.

Boarding is available at Forzani Performance Horses, \$20 a day for dry mares and \$25 a day for wet mares.

Collection and shipping fee \$325 or \$200 pickup ***Subject to change depending on current vet and shipping charges**** (1st collection/shipment is included)
